

ISB Executive Committee Meeting
November 15, 2011 (November 14, 2011 Stanford)

Meeting Start: 8:05 am Central European time

Present: Pascale, Marc, Renate, Claire, Alex, Mike

Regrets: Terri, Lorna, Chisato

(1) ISB website: We have agreed to move the current web hosting of the ISB website. The specifications for the new site are being compiled and this will drive the selection of the new web hosting service. Aim to move the site in early 2012. A new hosting service will allow the ISB website to expand and to better serve the members of the Society.

(2) Location and date for Biocuration 2013: The selection of a site and dates for the next Biocuration meeting is in progress. We are considering a venue with the meeting to be held in the spring 2013. This will change the frequency of the meetings from an 18 month cycle to 12 months. The selection of the venue is close to being finalized.

(3) Update on Biocuration 2012 planning: The ISB is planning to sponsor the Biocuration 2012 Conference on the order of 10,000 CHF.

(4) Administration: New ISB treasurer gains administrative access to the ISB website to allow management of members' subscriptions etc.

The ISB bank account signature permission is being transferred from outgoing treasurer to new treasurer.

Meeting end: 8:20
