

## ISB Executive Committee Meeting Public Minutes

January 19/20, 2012

- (1) Investigations are continuing into the technical aspects of both hosting of the ISB website on an independent server, and allowing membership payments to be made at any time of year.
- (2) As the majority of the board will attend the Biocuration 2012 conference, they have arranged to have a face-to-face board meeting during the time.
- (3) Conferences: The preparation for Biocuration 2012 is on track and going well. We hope to be able to announce details of Biocuration 2013 very soon, as they are finalized.
- (4) We are exploring the possibility of registering the ISB to have a specific administrative status that may allow us to apply for available funding.
