====

1. 2013 conference update
 - Send a last reminder for abstracts
 - > Everyone on the call plans to attend the Biocuration meeting. This will be a great opportunity to get the EC together and

2. 2013 conference fellowships
 - Several applications already received.

3. 2015 conference
 - New proposals continue to arrive. The ISB EC will make a decision in the next months.

4. Affiliation with DATABASE
 - DATABASE Journal editors and OUP staff, would like to have a face-to-face meeting at Biocuration with the ISB board. Action item from the last meeting was to review and discuss any questions we had from the agreement proposal. (Latest version of the document is from Oct 19, 2012). Some members of the ISB Exec will attend one of the bi-weekly DATABASE conference calls.

5. Global Organisation for Bioinformatics Learning, Education and Training (GOBLET) update
 - GOBLET is now incorporated as an association
 - Website: <http://www.mygoblet.org/>
 - Report from the Nov 2012 meeting is available at:
http://mygoblet.org/sites/default/files/files/GOBLETminutes281112_version191212-TA.pdf

6. ISB Documents
 - Pascale created a shared folder with all meeting notes, election procedures and candidates, newsletters, financial statements, legal documents, etc.

7. Update on Website
 - No new developments since 2012; Pascale proposes that we have the new website site ready for the conference in April - this is not mandatory but would give us a nice deadline.

Additional points:

8. Marc: ScienceWise: Annotation with ontologies in Physics;
ScienceWise is implementing their system to the domain of biology.
